Re: *United States v. Marcus Shepperd*, 11-CR-630-39 (KMK)

Dear Judge Karas:

As discussed at today's conference, the Government and Probation Office, with consent from the Defense, respectfully request that the conditions of supervised release for Defendant Marcus Shepperd in the above-captioned case be modified to include the following language:

"You will participate in an inpatient treatment program approved by the United States Probation Office, which program may include testing to determine whether you have reverted to using drugs or alcohol. You must contribute to the cost of services rendered based on your ability to pay and the availability of third-party payments. The Court authorizes the release of available drug treatment evaluations and reports, including the presentence investigation report, to the substance use disorder treatment provider."

So Ordered.

3/11/24

Sincerely,

DAMIAN WILLIAMS
United States Attorney
